SATELLITE FIDELITY

## Specifications

Part no	17-01-001-0
Model UK	UK specific satellite dome
LNB model	Universal single LNB
Quantity maximum decoders	1
Frequency band	Ku band
Input frequency	10.7 GHz - 12.75Ghz
Popularization	Vertical/Horizontal
Coverage	UK & Ireland
Minimum EIRP	52dBW
Search time	ca. 1-2 minutes
Elevation range	15° - 35°
Azimuth direction angle	360° unlimited
Motor	2 axis DC motor
Temperature range	-30° to 80°C
Voltage	12/24 Volt DC
Current	3A Peak 0.5A Standby 0A Sleep
Dimensions (diameter x height)	55 x 26cm (21.65" x 10.23")
Weight	8Kg (17lb)
Equipment	SatFi antenna, DVB-S2 controller, user manual, RF cable and power cable
Programmed for 1 Satellite	Astra 2 (28.2 East)

## Features:
